U.L. Listed Burglary and Fire Safes

The industry's first UL listed, fire rated burglary safe offers an affordable solution when burglary and fire protection are an essential part of your buying decision! During Underwriter's Laboratories grueling testing procedures, the BF® series earned the UL listed Class 350° F, One Hour Fire Label and the (RSC) Residential Security Container Burglary Label.

Next Generation - SafeWizard II Access Control System

The SafeWizard II is the new standard in safe lock security. With improved software and remote management capabilities, the SafeWizard II offers businesses a unique tool to control and audit safes. The SafeWizard II offers a complete suite of asset protection features that will reduce risk and improve operational efficiencies.

Improved Features:

- Customizable system alerts.
- Group administration functions.
- Up to 500 users.
- 120,000 lines of audit stored.
- Controls up to 12 doors and 1 deposit lock.
- English standard, Spanish, French and German coming soon.
